

CUCF 2022 MODERATOR

DR SHOBHAN MANOHARAN

One of Australia's leading laser dermatologists, Dr Manoharan specialises in the use of energy-based devices for both medical and cosmetic dermatology. The Medical Director of Brisbane Skin and the founder of training organisation, DermEd.com.au, he is also former Director of Training for the Australasian College of Dermatology. After studying medicine at the University of Queensland, Dr Manoharan gained extensive laser and surgical experience in Australia, the UK and the US. He has a special interest in combination treatments for complicated scars, pigmentation, laser rejuvenation, and surgical and non-surgical skin cancer management.

CUCF 2022 SPEAKERS

DR THEVA THEVAKUMAR

Dr Thevakumar obtained his degree in medicine from the University of Dundee MBChB in 1992, and completed his postgraduate training and became a fellow member of the Royal College of General Practitioners MRCGP(UK) in 1996. Dr Theva is one of Melbourne's few medically qualified Aesthetic Physicians with over 25 years medical experience. He is able to recommend a greater combination of treatments to his clients to achieve a natural, rejuvenated and refreshed look. He believes in an individualised, holistic approach and also focuses on the clients all round wellbeing. Specialising in giving his clients the natural look and doesn't go beyond the point of looking unnatural.

DR RYAN DE CRUZ

A specialist dermatologist and Fellow of the Australasian College of Dermatologists, Dr De Cruz completed his medical degree at The University of Melbourne, undertaking his residency at St Vincent's Hospital, Melbourne and advanced training at St. George's Hospital NHS, London. He has subsequently been appointed Consultant positions at the Royal Melbourne Hospital and The Skin Health Institute. With a keen interest in eczema, acne, rosacea, psoriasis, skin cancer management, laser treatment and hair loss disorders, Dr De Cruz is passionate about holistic dermatological care, and sharing his knowledge with fellow industry professionals.

CRYSTAL PATEL RN

Crystal is CEO and owner of Clinica Lase cosmetic skin and laser clinics, with locations in Carlton and Ballarat. A qualified Registered Nurse, and with almost two decades of experience, she is a well-respected and renowned expert in her fields. Always keen to push the industry forward, when Crystal is not treating patients in her own practice, she can often be found at other clinics across Australia conducting training for Cutera in the best practice use of their laser and aesthetic machines and equipment.

KELLY GEORGE RN

Kelly is a Registered Cosmetic Nurse and the Founder of Kelly George Aesthetics, a medical cosmetic clinic based in Tamworth, NSW. Since starting her medical aesthetics career with Allergan in 2006, Kelly's passion for helping her patients achieve great skin and natural results has been the driving force behind what is now one of the most successful anti-ageing clinics in Australia. Winner of The Plastic Surgery Hub's 'Australia's Favourite Injector' award in 2018, Kelly also manages a successful coaching and mentoring business, helping clinic owners get the most out of their businesses.
